Brown Mackie Students,

We are pleased to announce the launch of the NEW Student Technology Resource site. You can access the site by logging into My.BrownMackie.edu. From the Student Resource Center; click the Useful Links and Tech Resources tab, then select Brown Mackie Technology Resources.

If you have not setup your Student Portal account yet, you can use this site to help with that...go to: http://bmcresources.com/Technology/. From there select Student Portal, then select Student Portal Account Setup.
